VOLUME LVI — UKIAH CITY, MENDOCINO CO., CAL., JULY 11, 1924 — NUMBER 41

FOURTH CELEBRATED THROUGHOUT COUNTY

Ukiah People Take Advantage of Entertainment in Neighboring Towns

The Fourth passed off very quietly in Ukiah, many of our townspeople taking advantage of the numerous celebrations held in nearby cities to work off their surplus patriotism. In spite of the fact that many of our people hied themselves away, the town presented a very busy aspect, due to the fact that many hundreds of automobile tourists stopped over here for short periods, and invaded the various thirst emporiums and restaurants. These places did a flourishing business all day, and the city auto camp was filled to overflowing.

Fort Bragg had a three-days' celebration that drew a large number from this city. A series of three baseball games between Fort Bragg and the J. H N. team of San Francisco was one of the main attractions. The J. H. N. team defeated Fort Bragg in all three games, the scores being 7-3, 6-3, and 10-2.

The Willits celebration furnished amusement for a large quota from here. The main features of the program were a children's parade, exercises at the city park with an address delivered by Lilburn Gibson, of this city, children's sports, baseball game, evening parade and concert, wrestling and a grand ball at the auditorium.

The Lakeport people put on a good show for the Fourth, which was largely attended by Ukiah folks. The fact that the Ukiah baseball team battled for supremacy with the Lakeport team was quite a drawing card. The game resulted in favor of Lakeport. Parades, concerts, water fight, fireworks and patriotic exercises, concluding with a grand ball were features of the celebration.

Duncan springs, popular mountain resort near Hopland, celebrated the Nation's birthday by having a big dance at the roundhouse. The place was artistically decorated with flags and colored paper lanterns.

A barbecue, rodeo, and dance in Hopland attracted many of this section. Red Baker was in charge of the rodeo and presented a very attractive show. Donald Macmillan and John Bourgardes were in charge of the barbecue.

Covelo, among other attractions, featured a rodeo, with the usual broncho busting, roping ,etc. L. B. Hansen, of Ukiah, won second prize in the roping contest. Those who attended that celebration report a rousing time.

For the edification of visitors to Point Arena an old fashioned celebration was staged. Horse races, Indian dances, barbecue, and numerous other features entertained those who sought the comfort of the cool breezes of the lower coast. District Attorney Hurley delivered the address, as orator of the day.

BOOTLEGGERS GET FINES

Sheriff Byrnes returned from the coast last night, after a busy session with bootleggers in the Fort Bragg district. He rounded up a big bunch and took them to Mendocino City where Justice Murray extracted the sum of approximately $6400 in fines from the bunch. The sheriff is living up to his reputation for "getting his man."

MARRIAGE LICENSES

Marriage licenses were issued to the following couples the past week Harry V. Bonnifield, Ukiah, 21, and Gladys J. Gray, Talmage, 19; Marion Hale, 29, and Myrtle E. Millsap, 23, both of Lower Lake; Pollis Stavros, 29, of San Francisco, and Lorain B. Conner, 29, Willits.

ATTENTION, EX-SERVICE MEN

A. L. Wessels will devote Friday and Saturday of this week assisting ex-service men in filling out their applications for adjusted compensation, and requests that all ex-service men, if convenient, call at his office on those dates and bring with them their discharge papers.

DISPATCH EDITOR ILL IN S. F. HOSPITAL

Editor E. P. Thurston, of the Dispatch, who had been suffering for several days from an infection of the throat, left for San Francisco last Saturday, accompanied by his wife, to obtain medical treatment. Since that time he has been confined to his bed at the St. Francis hospital, and an X-ray has revealed the fact that the trouble was caused from an abscessed condition of a wisdom tooth and adjoining teeth. At present writing he is getting along nicely and it is hoped will soon be back at his desk.

FORT BRAGG AUTOIST PAYS FINE FOR RECKLESSNESS

Charges with reckless driving while intoxicated Otto H. B. Scott of Fort Bragg was arrested in Santa Rosa Wednesday evening after he was said to have narrowly missed several pedestrians. Thursday he was taken into court and the charge reduced to reckless driving. Scott was fined $50, which he paid.

The Fort Bragg man was judged drunk, it was said, by Dr. Mooney of Santa Rosa.

NEW CASES FILED IN COUNTY CLERK'S OFFICE

Through Attorney Charles Kasch, S. H. Bird has filed a suit for divorce from Lela M. Bird, on the ground of extreme cruelty. The parties were married in Missouri on October 13, 1916 and separated at Talmage on February 20, 1924. There are no children.

Through Attorney Ivan N. Marovich of San Francisco, Achille Chichi has filed a petition for writ of prohibition against the Justice Court of Ukiah Township to prevent the sale at public auction of a certain Willys-Knight automobile which was confiscated at the time of his arrest for violation of the prohibition laws, alleging that the car is the property of the Anglo-California Trust Company.

Through Attorney Lilburn Gibson, W. F. Ornbaun has filed a petition for letters of administration on the estate of Paul Scarci, deceased. The real property is valued at $500.00 and the personal property at $400.00.

FINNISH COLONY PICNIC

The Finnish colony in Redwood valley had a barbecue and picnic on July 4. Not only the colony people but many Finnish people from Ukiah and vicinity joined in the festivities. Among those present were Frank Sandelin and family of Ukiah. A very enjoyable time is reported.

AMERICAN LEGION BACKS PLAN FOR BEAUTIFICATION

The effort to have a uniform decoration plan for Ukiah upon festive occasions is being sponsored this week by the American Legion, who are standing behind a company selling flags with stands of uniform size and height which will be placed on the sidewalk at regular intervals when the occasion demands. Almost every business house is responding and the board of supervisors are being interviewed with a view to purchasing twenty of the stands for use around the courthouse plaza. The old custom of draping the American flag will no longer be tolerated. The stands are about 12 feet high and the cost is slight compared to the artistic effect.

CATTLE ARE SHIPPED

County Surveyor E. H. Smith returned this week from his ranch on the Mendocino-Humobldt line where he made arrangements for shipping a carload of cattle to the San Francisco market. The stock were in fine condition but the price on beef cattle is discouraging.

Mrs. Vivian Butler and three children of Marshfield, Oregon, will arrive shortly for a visit with her aunts, the Misses Nettie and Pearl Taylor.

LAKEPORT WINS FIRST, UKIAH SECOND GAME

Lakeport Comes From Behind and Captures First Game—Pool and Hitchcock Star in Ukiah's Victory

(By Claire Elledge)

You've all heard how the wily catfish never give up the ghost till the last flop. Well, the Lakeport ball tossers showed last Friday that their cousins have nothing on them for perseverance in the face of adverse circumstances. Said perseverance plus lots of luck and the wholehearted support of the umpire gave the Lakemen the Fourth of July game, 6 to 5. The game was a see-saw slugfest, each team garnering 10 safe bingles. Bev Broaddus was not in his usual form, allowing bunch-ups of three hits in both the first and ninth frames. In the other seven stanzas, however, he showed lots of stuff, allowing but four hits and one run. Ukiah overcome the early lead in the sixth inning but the ninth was a tragedy in every sense of the word. The score stood 5 to 4 in Ukiah's favor and the fans were already forgetting the terrible first act. The last three stickers of the Lakeport menu were to open the beginning of the end and local fans were counting their winnings. Then the old catfish temperament came to the front and upset the dope completely. Two of the weak stickers got on with clean singles and came in with the winning tallies when Stone, lead-off man, sent a two-bagger into the cars in right field.

Ukiah was at a disadvantage in having to put an Upper Lake high school boy on second when only eight locals showed up. This caused some confusion in the infield combination and a shift in the batting order that was not ideal by any means. H. Pool, playing with Ukiah for the first time, showed the way for the heavy stickers of the day. He gathered four hits out of five and everyone was a pip. He is a natural hitter and gets a real kick from taking his cuts.

The slow infield caused the locals to miss a number of fielding chances that they could not reach. The Lakeport hirelings made six bobbles but they could have gotten away with murder that day. Well, anyhow mates it was lsh day and the Sunday game was a different story.

Lakeport came over here for a return game on Sunday and, as mentioned above, the game was a wow. The doughty catlsh never had a chance to demonstrate their recuperative abilities. About the only thing they did with regularity was to chalk up goose-eggs in their run column, and the end of the game found them on the minus end of a 2 to 0 score. The game was the best seen here for years. Hitchcock, pitching for Ukiah, heaved phenomenal ball at all times and won his own game in the eighth frame when he homed with Laton on base. The credit for the win must be given him unreservedly. He allowed but four hits, two of which should have been fielded, and had them scattered so well that they were hard to find in recording them. He whiffed sixteen aspiring Lakesmen and hit and walked nary a one. All of them looked alike to "Hitch" and he delivered his strike-outs with delightful impartiality. His support was good though a few fielding plays

LIFE SNUFFED OUT WHILE FIGHTING FIRE

Italian Rancher Pays Dearly in Efforts To Save Mountain Home

Overcome by heat while engaged in fighting a fire that destroyed his home, Paola Scarci, residing northwest of Willits, died a few hours later after he had been found unconscious by neighbors who were attracted to his remote abode by excessive smoke clouds Friday.

A coroner's inquest, held Tuesday in Willits by Deputy Coroner B. F. Watson, brought a verdict of death by execessive heat caused while fighting fire.

According to the facts brought out at the inquest Scarci has been engaged in burning out stumps on his mountain ranch of 160 acres located at Black Rock about 33 miles from Willits and west of Burger creek. The fire got away from him during a high wind and spread rapidly to his barn and outbuildings and then to the house which was completely destroyed with its contents. Scarci lived alone and worked frantically to save his property but to no avail. When found by neighbors an attempt was made to get medical aid for the man but he died while being carried to the nearest station. Scarci was a native of Italy and 57 years old. He has no relatives in this country.

WILL REMODEL

A contract was filed in the recorder's office on Wednesday whereby George F. Allen commences the work of remodeling, and reconstructing of the Baptist church. Papers recorded show the contract price to be $9797.00. Plans call for extensive alterations to the church building, with a stucco finish on the exterior.

Mr. and Mrs. A. R. O'Brien are in San Francisco this week where Mrs. O'Brien went to consult a specialist following a protracted illness.

CHILDREN BURNED WHILE PARENTS ARE HELPLESS

Fierce Heat Takes Lives of Little Ones When Match Ignites Gasoline

Associated Press dispatches reached this city this week telling of the misfortune which has come to Mr. and Mrs. Harry E. Wilson of Calpella in the loss of their two children by fire at Redding. Mr. Wilson was employed in state highway construction with headquarters at Calpella. The fatal accident occurred when Mr. Wilson lighted a match to look at the oil guage. The two children were seated in the car which caught fire instantly. One child, Mary, aged three years, was burned to death and the other child suffered burns from which it subsequently died. The dispatches gave Mr. Wilson's residence as Ukiah and as a result much conjecture was rife concerning the identity of the family. The Wilson family were on their vacation at the time of the accident.

The sympathy of many Calpella friends was extended them in their great sorrow.

RETURNS FROM EAST

Senator F. C. Handy reached home Wednesday evening from the east where he went as a delegate to the Republican convention at Chicago. Following the close of the convention Senator Handy viisted relatives in various states. He experienced a variety of weather, being close to the district swept by the tornado and found many localities where heat was excessive. It is needless to add he is glad to be back in California.

STARTS ON CAMPAIGN

Assemblyman Pat Connolly expects to leave the first of next week on a circuit of the county to interview the voters in the interest of his candidacy for re-election to the assembly. His slogan is "Fewer Laws and More Justice."

SYDNEY DALE ANNOUNCES FOR SANEL TWP. CONSTABLE

Elsewhere in this issue will be found the announcement of Sydney Dale, of Hopland, as a candidate for the nomination of constable of Sanel township. Mr. Dale has been a resident of Hopland for the past twelve years and is well thought of in that community. He promises that if elected he will play no favorites, and that everyone will be accorded fair treatment. He would appreciate the support of the voters at the primary election on August 26, 1924.

JOHN WAINIO PASSES

Funeral services were held in Ukiah Thursday morning for John Wainio, member of the Finnish colony at Redwood valley, who died Tuesday morning following an illness due to pneumonia. Mr. Wainio, who was highly regarded by his friends and neighbors, was 43 years old and leaves a wife, two daughters and a son to mourn his passing. The service was from the Eversole chapel at ten o'clock yesterday morning.

FORMER RESIDENT DIES OF PARALYSIS AT DUNSMUIR

Ted Young, a well known former resident of this city, passed away at Dunsmuir last Sunday, from a stroke of paralysis. He had suffered from one stroke a short time before, and a second one following closely, was too much for his weakened condition.

Interment took place Wednesday at Healdsburg, where he spent his early years.

He is survived by a wife, two daughters and a number of relatives residing in Sonoma county.

He was a man who stood high in this community during his long residence here, and is mourned by a host of friends who will regret to hear of his death.

VACANCIES FILLED

Faculty members appointed to succeed Miss Myrtle Brown and Miss Amber Vestal on the staff of the high school were appointed last week. They are Miss Ruth G. Rutherford of Calistoga and Mr. Benjamin N. Neff of Concord. The latter will be in charge of all athletic work of the school.

ILLNESS IS ALARMING

J. A. Gibson, well known business man of this city, is fully recovered from an attack of illness which seized him while attending church service Sunday. Mr. Gibson suffered two slight attacks during the afternoon which proved of grave concern to his family and friends.

DEMOCRATIC STANDARD BEARER FINALLY CHOSEN

After a long drawn out battle the Democratic convention at New York finally nominated John W. Davis, of West Virginia, for president, on the 103rd ballot, last Wednesday. Yesterday Charles W. Bryan, of Nebraska, a brother of William Jennings Bryan, was nominated for vice president. Thus the standard bearers for the Democratic party are at last chosen and the party is ready to enter the campaign, which promises to be a warm one.

MANY ATTEND MEETING

The joint meeting of Kingsley Chapter, O. E. S. of this city with the Willits and Covelo lodges of the same order Wednesday evening proved a very interesting one. More than forty members from this city participated. The event opened with a seven o'clock dinner served by the Willits lodge. Each organization had a share in the ceremonies arranged in honor of Grand Worthy Matron Maud E. Sibley of Los Angeles.

Mr. and Mrs. Major Fugitt and daughter motored up from San Francisco to spend the week end with Mrs. Kate Sweasey, who is spending the summer here.

LAD SHOOTS EMPLOYER WHO DISCHARGED HIM

Aged Man is Victim of Emnity Growing Out of Occurence of Last Spring

Hugh Elger, 14-year-old San Francisco lad, is being held in the county jail pending the outcome of injuries inflicted, according to his own confession, upon his former employer, aged William Hackley, last Friday evening at the latter's ranch home at Branscomb.

Sheriff R. R. Byrnes obtained a confession from the boy after he had been arrested and brought to the county jail here by Deputy Terwilliger. In his confession, which is in the hands of the district attorney, the boy states he worked for Hackley last spring. He was discharged in May and it was this fact, which has rankled in his mind ever since, that is responsible for the violence done his former employer after he had held up and robbed him, earlier in the day, of a watch, a ring and some trinkets. When arrested the bay had a revolver and a bowie knife on his person.

The shot which prostrated the aged victim of the boy's emnity was inflicted by a high powered rifle which was found later on the premises. According to the boy's statement he shot Hackley, who is 70 years old, while he was in the act of entering a cellar. The shot was fired through a window. Hackley is at a hospital at Willits where but little hope is held out for his recovery owing to his advanced age.

The rumor that two other boys were implicated in the crime is held to be false by officers working on the case. The boy's age makes prosecution difficult and he will, in all probability, be committed to a reform school.

INSTALL OFFICERS

Officers of Ukiah Lodge No. 174, I. O. O. F., were installed Tuesday night by District Deputy N. B. Barnwell, of Willits. After the installation ceremonies, refreshments were served at the Maple confectionery. The following officers were installed: Joe R. Puett, n. g., Clem Heryford, v. g.; Chris Bruns, sec.; Julius Roller, treas.; G. M. Miller, r. s. n. g.; Geo. David, l. s. n. g.; W. D. Phillips, r. s. v. g.; J. W. Butts, l. s. v. g.; H. H. Wise, r. s. s.; Ralph Kunzler, l. s. s.; Leon Grover, warden; Leslie Allenby, conductor; Mack Howard, chaplain; E. C. Baker, o. g.

MACE LOSES MEDICAL LICENSE

Dr. R. D. Mace, formerly of this city, now serving a term in San Quentin for obtaining money under false pretenses, was ordered to appear before the State Board of Medical Examiners last Monday to answer charges for alleged violation of the medical practise act. He automatically loses his license to practise, due to the fact that he was unable to appear before the board and make a defense at that time. His case is on appeal and should he be exonerated in the future by some chance the board would probably grant him a rehearing.

CHIEFS ARE RAISED

The Redmen and Pocahontas lodges of this city held a weenie roast and river party last evening at the Knights of Pythias swimming pool. Later both organizations returned to this city where the ceremony of raising chiefs was put on.

HEAT CONTINUES

The weather report for the week, as made out by Dr. George McCowen, gives a maximum temperature of 104 degrees and a minimum of 46 degrees.

P. J. Boring is planning to commence construction immediately of a building on his lot on South State street, recently purchased from A. W. Foster. The building will contain two stores and will be of reinforced concrete. Boring plans to reenter the candy and ice cream business.

MARKET REPORT

The market report issued by the state and federal livetsock bureau last Tuesday, is as follows:

CATTLE: Lower grades of cattle continue in liberal supply and trading on these grades has been generally slow and draggy with the bulk coming from California. When compared to a week ago the good fat steers are steady with a decided widening out on the lower grades with a number of killers reporting a scarcity of good grade steers. Several sizeable shipments of good at steefrs averaging around 1050-1100 lbs. brought $7.75-$8.00 with more desirable kinds quotable up to $8.25, however, none were noted during the week at this figure. Country reports mention $7 steers at the shipping points on various reight rates which make it difficult to figure off cars in the city. The bulk of the medium grades went on a wide range from $6.50-$7.50 and were made up of material which was not fat enough. Numerous loads arrived from packers' ranches, others on commission which served to keep coolers well supplied with the undergrades. Most all branches of the trade are complaining of the poor assortment of good carcasses in coolers and retailers were eager to mark them up even before fairly well chilled out. These cattle weighed out mostly under 1000 lbs. and the arrival of the fleet and visitors called for heavier ribs and loins. The ordinary run of she-stuff continues in its listless fashion with a few loads of 1000 lb. grassers making $5.25 and medium and common grades down to a $4.00-$4.50 basis although supplies of these kinds came mostly from drought districts, packers' ranches and original owners' account. Bulls are steady with a few odd head arriving in other shipments at $3.00.

CALVES: The calf market is fairly steady with a demand for good and choice kinds but the bulk of arrivals have been medium grade and not fat enough. Several loads came from packers' ranches and a few loads of medium 230 lb. made $7.50. Quite a few of the calves are heavy and these are exceedingly weak with bulk moving on an estimate of $5.50-$6.00.

HOGS: Compared to last week the hog market is weak to 25c lower with numerous loads of Californias around $8.50 for the light weights and medium weights at $8.00. The bulk of the hogs have been lacking in condition and operators report that they could be flooded with 125-140 lb. kinds if they let down the bars. Several ten deck shipments of Colorados and Nebraskas grading choice brought $8.45-$8.50 off cars.

SHEEP: Compared to last week the lamb market is weak to 25c lower on account of liberal offerings from mountain districts which are short of feed and water. Operators have been liberally supplied and the general talking price is around $10.50-$11.00 for next week's delivery for good and choice lambs. Most operators state that country offerings are ten to twenty days ahead of time and they have difficulty in keeping shipments regulated. The recent lifting of the 48 hour law may lend help in this direction although feed lots will not likely be loaded up. Several decks of good to choice 72 lb. lambs brought $11.25 during the week but this now seems high. A few loads of medium shorn ewes brought $3.00 and good wooled kinds $4.75 for car route systems while other operators have this material from their own ranches. All mutton weak.

COAST APPLE GROWERS TO HAVE SELLING AGENCY

East Mendocino apple growers have realized for some time that if they were to secure adequate returns for their crop a selling agency or association would have to take hold of the matter to effectively place their fruit before the public and introduce it. Roy Lucas and Lem Woodworth have been considering the matter for a long time and recently decided to take up the proposition to get the thing on its feet. They will handle the apples of the East Mendocino section and also those of other growers in the wormless belt who desire them to.

Mr. Woodworth was a long time engaged in the grocery business in Oakland and has a large acquaintance among retailers there which will help him materially in placing the fruit. He will go to the city as soon as the crop is ready to harvest and prepare for a selling campaign. Mr. Lucas will remain here on the ground and give all his attention to the pick, grading, packing and shipping.

There is no question that the East Mendocino district and similarly situated coast districts producing well adapted varieties free from worms will eventually have a market all their own because fine apples such as this coast belt produces and freedom from worms is a combination that will insure ready sale at top figures once our fruit is introduced. Coast apples also have fine keeping qualities—also a very considerable asset.—Beacon.

Dr. Preston was called by phone and the quartette wended their way to his office where one was found to have a badly mashed hand and another was cut up considerably about the head. They were reticent about the nature and location of their accident and were strangers but not tourists. Their identity was not learned.

How Plump People Obtain a Plump, Strong, Robust Body

"Before I took Prunitone people used to call me 'skinny,' but now my name is changed. My whole body is stout. Have gained 15 lbs. and am gaining yet. I look like a new man," declared F. P. Smith, Pittsburgh, Pa., who had just finished the Prunitone treatment.

Would you, too, like to quickly put from 10 to 30 lbs. of good solid, "stay-there" flesh, fat and muscular tissue between your skin and bones?

Don't say it can't be done. Try Prunitone and prove what it can do for you. E. R. Gibson is selling a great deal of Prunitone, and it is giving universal satisfaction.

More than half a million thin men and women have gladly made this test and that Prunitone does succeed, does make thin folks fat, even where all else has failed, is best proved by the tremendous business we have done. No drastic diet, flesh creams, massage, oils or emulsions, but a simple, harmless remedy that is pleasant and effective in results.

Take Prunitone with your meals and watch it work. This test will tell the story.

Treat Your Money As You Would a Tractor!

You'd laugh at the man who said his tractor needed a week's vacation to rest up. Tractors only pay profits when they're working. They're made to work.

Your money should be kept working for you all the time, too.

Put that extra $50, or $100, or $500 or other sum you won't need for six months or a year, into a Certificate of Deposit at this up-to-date, helpful Institution. It will be safe—and will earn a good rate of interest for you right along.

May we send you details—just a postal or phone call will bring them.

NEW FRUIT MARKETING AGENCY LOCATES HERE

Denny & Co., whose ad appears elsewhere, is a fruit marketing agency for grapes and pears to enter the local field to secure their share of tonnage. Their local representative, F. L. Strang, states it was the market popularity of Mendocino and Lake county pears and grapes that attracted the company to this field. It is the established reputation of Denny & Co. that they only enter proven shipping districts, and then stay, due to their personal service to the grower in the local as well as national field. It is one of the large fruit and vegetable distributing agencies of over twenty-five years standing, covering national as well as foreign markets.

RICHARDSON APPROPRIATES $23,000 FOR FIRE FIGHTING

Governor Friend W. Richardson has given the State Board of Forestry an emergency allotment of approximately $23,000 for the employment of additional state rangers to combat fires outside the federal forests of California. This action followed a conference held last week in Sacramento with the Board of Control and United States Forester W. B. Greeley, Washington, D. C., District Forester Paul G. Redington of San Francisco, and State Forester M. B. Pratt.

A program has been outlined calling for the cooperation of all the citizens of California and the coordination of all agencies to meet the present forest fire emergency confronting California.

Manager Sloane has turned over the entire organization of the California Development Association to assist the national and state forces in fire suppression and fire fighting activities. State Forester Pratt and District Forester Redington of the state and federal forces have agreed with Manager Sloane to concentrate their directing forces at the ferry building offices so that the closest cooperation of all lay and official forces can be obtained.

One new fire is reported a few miles from Lane Grove near Liggett valley on the South Fork of the Eel river. This fire, which has covered several hundred acres, is burning in the redwood forests of Mendocino county and is threatening the Standish and Hickey Redwood Memorial Grove given to the State of California, which is located across the South Fork of the Eel from the scene of the conflagration. State Forester M. B. Pratt reports that he has sent District Fire Ranger R. E. Roach with a crew of men to suppress the fire.

Mrs. Mary Cowsert is visiting her daughter at Ross, Marin county.

HOP GROWERS WARNED IN USE OF JAPANESE SULPHUR

Arsenic Content Said to Be Detrimental in Spraying Hops

C. C. Donovan, Santa Rosa hop grower, has received a very important communication from his London firm, George Bird & Co., one of the greatest hop dealing concerns in the world, which will be of much interest to Mendocino county and California hop growers, says the Santa Rosa Press-Democrat. It warns them against the use of Japanese sulphur in their hop kilns as the sulphur is said to contain considerable arsenic which is absorbed by the hops.

The information is of so much importance to the hop men here that it is published herewith:

"Trade is fairly good in beer, and as soon as the brewers have eaten their stocks we look for more inquiries on contracts for best Pacifics.

"As no doubt you have heard there has been trouble here in regard to the excessive amount of arsenic discovered in many of the Oregon and Washington growths, and brewers have—where they analyzed—returned these hops to merchants. As you may suppose, this is causing serious trouble and loss and is a great hindrance to further business. The arsenic has now been traced to the crude Japanese sulphur used in the kiln by these growers, no doubt on account of its cheapness. Luckily the California state growers seem to have avoided using this trash, with the result that next to no trace of arsenic is found in their hops on analysis.

"We now hear that the Oregon and Washington growers have rejected their forward purchases of Japanese sulphur for the 1924 crop, and this letter is to ask you to warn your California growers against purchasing any of this undesirable commodity—which may be offered in your state owing to the rejection as above. It would be fatal to use this stuff—rendering the hops quite unsalable here, and making forward sales impossible."

Mr. and Mrs. Leslie Crawford and son, Jack, Billie Lawton and Mr. and Mrs. Taylor McGarvey and family left yesterday for a week's outing in Humboldt county.

Miss Juanita Gowell, who holds a clerical position at Benicia, left yesterday for the Russian river where she will spend the last week of her vacation following a week's visit here with her parents, Mr. and Mrs. C. A. Gowell.

"NAME THE MAN," COMING TO VICTORY JULY 17-18

A forceful story by Sir Hall Caine, and an all-star cast which includes Conrad Nagle, Mae Busch, Hobart Bosworth, Patsy Ruth Miller and Creighton Hale, combine to make noteworthy Victor Seastrom's first American production, "Name the Man,!" which comes to the State theatre next Thursday and Friday.

"Name the Man!" is from the celebrated English novelist's recent best seller, "The Master of Man." It tells the striking story of a young judge whose first act of office is to pass judgment on a girl he himself wronged.

The courtroom scene, which is one of the intensely dramatic incidents in the story, calls for some of the greatest emotional and dramatic acting which has ever reached the American screen—with a man—human, erring, whose deep and lasting affection for one girl is pitted in combat with his pledge to duty which calls him to say "you must die!" to a frail, sweet girl who owes her downfall to him, her judge.

Mae Busch plays the part of the wronged girl—her second leading part in Hall Caine stories, with Conrad Nagle playing the part of the judge.

A brilliant cast, with gigantic settings picturing the ancient prison and castle on the Isle of Man, and superb photography add to the perfection of the distinguished European director's first Goldwyn production. It will make his name familiar to every picture fan in the country and help the films to come into their own as an art as well as an entertainment.

SANTA ROSA HOP GROWER MAKES 22 CENT CONTRACT

Ed M. Ross, Santa Rosa hop grower, sold 20,000 pounds of 1924 hops for 22 cents a pound to John I. Haas, representing an eastern malt company, according to a contract filed in the recorder's office at Santa Rosa Tuesday and which was made in May. Ross will receive approximately $4,500 for the hops and three payments, totalling $2,000 have already been made, according to the contract. The hops will be grown on the John Miller ranch of 83 acres at Woolsey station.

A BOOST FOR UKIAH

The following appears in the current issue of Southern California Business, the official magazine of the Los Angeles chamber of commerce:

Ukiah, California, presents a good opening for a man with $10,000 to start a dairy, according to the secretary of the Ukiah chamber of commerce. Attention is called to the fact that irrigation assured in adjacent valleys makes dairying interests one of the great industries of that section. It is also stated that a new hotel, costing from $100,000 to $200,000, a small amount of which would be subscribed locally, is needed in Ukiah, and that poultry farms could be made a very profitable industry with nearby excellent city market available.

Mr. and Mrs. Allan stipp, of San Francisco, visited at the G. C. Burke ranch last week.

Orvin Frye, son of Dr. and Mrs. P. B. Frye of Benicia, visited his aunt, Mrs. C. A. Gowell, over the weekend.

FACTS ABOUT THE TELEPHONE

One million one hundred and sixty thousand telephone books were recently distributed to the telephone subscribers in New York City. The new books contain seven hundred and sixty-five thousand names and have nearly one thousand eight hundred pages.

* * * * *

In a single year the Western Electric Company transforms into finished telephone apparatus and equipment as much copper as would be used by the mint in coining 15,350,000,000 one cent pieces. If this number of one cent coins were stacked one upon the other, they would make more than 89,000 stacks as high as the Woolworth building.

The Egyptian government has sent a young man to this country for the express purpore of studying telephone engineering under the instruction of an American company. He is one of five Egytian students who have been sent to the United States to learn Amreican industrial methods by working with successful American corporations.

HEADLIGHT CAMPAIGN RENEWED THIS WEEK

State highway traffic officers operating under the direction of the Division of Motor Vehicles started another campaign against violators of headlight provisions of the law in all sections of California this week.

Division officials hope by this campaign to rid the highways of the menace of glaring lights and the war on such violators will be waged intensively through all of July and for such time thereafter as is necessary to reduce this hazard to life to a minimum.

Chief Will H. Marsh estimated today that 75 percent of all automobile accidents occuring at night are due to glaring lights.

The division will have some 150 uniformed officers and a number of unpaid deputies enforcing the law and local officials from all over the state have written the department pledging their help.

Beginning last Monday night, the officers are devoting a portion of each evening to work on the highways. Every person whose lights appear dangerous will be stopped and ordered to have them adjusted. There are more than 1500 official stations in the state where experts will be on hand to make the proper adjustments.

Orval Tadlock, horticultural commissioner, returned Monday night from Woodland on busines connected with the estate of his mother, of which he is administrator.

REDWOOD VALLEY NEWS NOTES

REDWOOD VALLEY, July 9.—Cyril Goudge and Miss Lois Tull were married at the bride's home at Yuba City last Thursday afternoon. After a short honeymoon they will return here and reside at the Goudge home. Mrs. Goudge, Sr. and Freddie will move to Ukiah. Cyril is one of our finest young men, and Lois one of our most charming girls. Both have a wide circle of friends who wish them an exceedingly pleasant voyage on the matrimonial sea. May their troubles all be little ones.

Mr. and Mrs. Merlin Tull motored over to Sutter county last week for a visit with relatives. They were present at the Goudge-Tull wedding.

The Grangers and a number of invited guests spent the glorious Fourth picnicking at Ford's swimming hole. The chief attraction was a barbecue. John Martin Woolley, who has a reputation to sustain as a "barbecue chef," fairly out did himself. Everyone was loud in praising the meat, and declaring it the best they had ever tasted.

After an abundant picnic dinner, Lilburn Gibson delivered a very interesting and inspiring Fourth of July oration.

The swimming hole was a very attractive spot for most of the young folks and many of the older ones, too.

Late in the afternoon the merry picnickers wended their way home feeling that they had had a right jolly good time.

The Jewish Sabbath school boys, camped on the old Forsythe school grounds, gave a minstrel show and entertainment Tuesday night.

Johnnie Howard and family returned last week from a motor trip to Nevada.

Mrs. J. Lee Smith is spending the summer visiting in Connecticut. She will not return until September.

J. Lee Smith leaves this week for southern California, where he will spend some time looking over his ranch interests there.

John Wainio was suddenly stricken with pneumonia the latter part of last week and passed away Tuesday morning. He leaves a wife and several children, besides a wide circle of friends to mourn his loss. The family have the sympathy of the community in their bereavement.

The local farm center meeting Tuesday was a social meeting. The clubhouse was packed. There was a number of recitations, musical numbers, etc. One of the best numbers was a pantomine, "Rock of Ages," by Alyce and Harriet Finne.

The visiting Jewish boys rendered some darky selections.

Bob Smith was back among us again and when called upon respond with a song and comic recitation in his inimitable style, which, as usual, brought down the house.

J. J. Thornton, of Potter valley, made a few remarks, introducing his candidacy for supervisor.

At the conclusion of the program refreshments of coffee, sandwiches, red lemonade and cake were served.

Resolution of respect to the memory of John Wainio was adopted.

B. K. Said and Mrs. John Finne had charge of the excellent program.

Mrs. Bohna, Sr. of Kern county, is visiting her son and his family here.

What Can Chiropractic Do For Me ?

R. S. BLEND, D. C.

The answer is simple: If the CAUSE of your trouble is Nerve Pressure, and the chances are that it is, Chiropractic Vertebral Adjustments, given by a competent chiropractor with the bare hands alone, will relieve this pressure. The effect of this pressure is to impede the normal flow of Vital Force to all the organs of the body. This then gives rise to another effect, called disease. When the cause is removed the EFFECT disappears; for, without CAUSE, there can be no EFFECT.

If Chiropractic had not really afforded relief to hundreds of thousands of sick and suffering men and women during the last twenty-five years, the Searchlight would long ago have revealed that fact, and Chiropractic would have died by the wayside.

On the contrary, Chiropractic is now STRONGER than it ever was. Publicity has strengthened it instead of weakening it, and above everything else, this wonderful Drugless Health Science is for YOU and YOUR family.

Investigate at once. Do not delay. Every day you delay means that much longer for you to regain your health. Consultation and Spinal Analysis Free.

Behind the Scenes With Your Power Rate

LIKE water, hydro-electric energy is cheap at the source. The cost of producing power is the smallest item making up the consumer's rate.

But it costs money to bring power from the distant Sierras, and distribute it to thousands of customers—repairing lines, reading meters, keeping accounts, collecting bills, and maintaining steam standby plants to assure continuous and uniform service.

Taxes, and interest on borrowed money, must be paid. No power service can be rendered without such costs and those costs make up the consumer's rate.

A comparison of rates in different territories signifies no more than a comparison of the cost of water in the Sahara desert with the cost of water at the margin of Lake Superior.

LAKEPORT WINS FIRST, UKIAH SECOND GAME

(Continued from page 1)

nearly gave the fans nervous prostration before succeeding.

Byrnes, for the visitors, pitched fine ball also, but he made a mistake in thinking that all pitchers could not hit and his task was over when Hitchcock picked a juicy one for a round-trip in the eighth. About the only local hitter that Byrnes did not have the Indian sign on was H. Pool, who made two of Ukiah's four hits. It was unfortunate that, as clean-up hitter, he could never have anything to clean up with his fine stick work.

The game was very fast, the time being one hour and forty minutes, which is good big-league time and about a half-hour faster than the average game in these parts.

The locals journey to Lakeport once more next Sunday and prospects point to another tight game.

FIRST GAME

FIRST INNING:

Ukiah—Busch struck out. Remmel out, Patten to Kirk. H. Pool singled to left, stole second, and came home when P. Asbill threw wild to second. G. Pool walked and stole second. McCabe struck out. One run, one hit, one error.

Lakeport—Stone singled to left. S. Asbill flied to G. Pool. Miller was safe on a fielder's choice that netted Stone, Grilli to McCabe. Patten singled to left, scoring Miller. P. Asbill was safe on McCabe's error and Patten reached third. P. Stanley doubled to left, scoring Patten and P. Asbill. Kirkpatrick out, McCabe to Pool. Three runs, three hits, one error.

SECOND INNING:

Ukiah—Hooper made first when Stone fumbled his grounder and took second when H. Stanley threw wild to first to catch him. Grilli struck out. Laton flied to Miller. Broaddus singled to left, scoring Hooper, and went to third on a bad throw to home. Busch walked. Remmel out Stone to Kirk. One run, one hit, two errors.

Lakeport—Woods struck out. H. Stanley out, Broaddus to G. Pool. Stone took one on the hip and was awarded first for his trouble. He stole second. S. Asbill flied to H. Pool. No runs, no hits, no errors.

THIRD INNNING:

Ukiah—H. Pool singled to center. G. Pool walked. McCabe laid one down that Stone bobbled and took first while H. Pool scored. G. Pool was out, Kirk to P. Asbill, while trying to make home. Hooper flied to Kirk. Grilli out, P. Asbill to Kirk. One run, one hit, one error.

Lakeport—Miller out, Broaddus to Pool. Patten singled to left. P. Asbill singled to left, advancing Patten to third. P. Stanley flied to H. Pool and Patten scored on the throw-in while P. Asbill reached third. Kirkpatrick out. One run, two hits, no errors.

FOURTH INNING:

Ukiah—Laton flied to Miller. Broaddus singled over third. Busch struck out. Remmel out, Stone to Kirk. No runs, one hit, no errors.

Lakeport—Woods flied to Hooper. H. Stanley flied to Hooper. Stone out, Broaddus to Pool. No runs, no hits, no errors.

FIFTH INNING:

Ukiah—H. Pool singled to left. G. Pool walked, putting H. Pool on second. McCabe whiffed. Hooper made first on Wodo's fumble. H. Pool was out at the plate, Woods to P. Asbill. Grilli singled, sending Hooper to second, but G. Pool was nabbed at the plate, S. Asbill to P. Asbill. No runs, two hits, one error.

Lakeport—S. Asbill out, McCabe to Pool. Miller out, Busch to Pool. Patten flied to Grilli. No runs, no hits, no errors.

SIXTH INNING:

Ukiah—Laton struck out. Broaddus struck out. Musch doubled to left. Remmel singled, scoring Busch. H. Pool tripled, scoring Remmel. G. Pool flied to Patten. Two runs, three hits, no errors.

Lakeport—P. Asbill hit one into the cars in center for a double. P. Stanley struck out. Kirkpatrick struck out. Woods struck out. No runs, one hit, no errors.

SEVENTH INNING:

Ukiah—McCabe whiffed and was out, P. Asbill to Kirk on a dropped third strike. Hooper flied to S. Asbill. Grilli struck out. No runs, no hits, no errors.

Lakeport—H. Stanley struck out. Stone flied to Busch. S. Asbill struck out. No runs, no hits, no errors.

EIGTH INNING:

Ukiah—Laton singled to center and took second on H. Stanley's had throw to first. Broaddus struck out. Busch's fielder's choice put him on first but netted Laton, Patten to Stone. Remmel out, Patten to Kirk. No runs, one hit, one error.

Lakeport—Miller struck out, Busch to Pool. P. Asbill doubled to right. P. Stanley out, Grilli to Pool. (Grilli made a wonderful one-hand stop of a sure-looking hit.) No runs, one hit, no errors.

NINTH INNING:

Ukiah—H. Pool flied to Kirk. G. Pool flied to Patten. McCabe out, H. Stanley to Kirk. No runs, no hits, no errors.

Lakeport—Kirkpatrick singled to center. Keller, batting for Woods, whiffed. H. Stanley singled. Stone rapped one to right that bounded beyond Hooper and Kirk and H. Stanley scored. Two runs, three hits, no errors.

INDIAN LAD RECEIVES FATAL INJURES HERE

Mystery Blow Inflicted Upon Boy Following Gun Wound in Woods

Mystery shrouds the death of John Mace, Indian lad of 12 years, who lived at the rancheria north of town and whose death occurred Thursday evening of last week following a hunting trip in which he and a boy companion, Dave Watthan, aged 10 years, participated earlier in the day.

According to the evidence gathered by Sheriff R. R. Byrnes and Coroner W. F. Ornbaun the boys entered the cabin of an Indian named Meyers, on the rancheria, and stole a 22-caliber rifle after which both disappeared in the woods. Some hours later the Watthan boy returned and told his mother his companion had shot himself. The Indians formed a searching party and found the lad, wounded and lying under a clump of bushes. He was taken to the Langland hospital and later returned to his home after receiving medical attention. What happened then is a mystery but several hours later the boy died and funeral arrangements were being made when one of the Indians told the coroner the lad had a broken arm. Investigation revealed the statement to be true and Dr. J. H. Hansen confirmed the story after a thorough examination showed a bad break near the shoulder. From one source it was learned the dying boy pointed to his injured shoulder and muttered it was the cause of his death.

Whether the boy received the injuries after he was returned from the hospital or whether he was attacked, beaten, shot and left for dead cannot be ascertained from the Indians who are as wily and stoical as the Orientals where crime is concerned. Coroner Ornbaun is satisfied a crime has been committed and stated neither he nor Sheriff Byrnes would leave a stone unturned in running down the criminal. The broken arm indicates the lad had been struck a heavy blow, probably from the stock of a gun or club, the force indicating the strength of an adult.
